

Remedies Running out? Check out our first-time ever SINGLE VIAL REFILL OFFER!

Sale runs from October 1 to November 18, 2019.

Name: _____ Date: _____

Replace your depleted kit remedies with our first time ever replacement program featuring half dram vials, with #10 pellets (poppy seed sized). Prices are discounted \$2 to \$3 per vial from regular pricing. Order at the discounted pricing below! Think about picking up extra vials of *Arnica*. Get extra vials for wherever you might need emergency aid remedies.

- 1) Write in the name of the individual remedy, the potency you want, and correct price for that potency (found in box below). Use the additional page if necessary.
- 2) Calculate your order total.
- 3) Fill out the **Remedy Kit Order Form** with your contact, shipping, and payment information (*even if you are not purchasing full kits*) and submit **both** forms to Dana.

Vial Refill Pricing Key for individual half dram vials, with #10 pellets:

6c, 12c, 30c vials = \$6.95
200c vials = \$7.95

1M vials = \$8.95
LM vials = \$16.95

Name of Remedy:

Potency:

Price:

(Subtotal from 2nd page: \$ _____)

Total # of Remedy Vials = _____

Total Price: \$ _____

You are responsible for your own selections; your list will be submitted as is directly to the pharmacy; please double-check your potency selections / pricing, AND be sure to print legibly (or send us your typed remedy list electronically.) Dana will not take orders over the phone for individual remedies. Feel free to include extra pages if needed, but please provide only one \$ total for your order.

Shipping: Final costs to be calculated by the pharmacy, but it is approx. \$8-\$9 for priority mail envelope that can hold up to 12-15 half dram vials if you are not also ordering kits.
